Cracks in the Ice is an online toolkit that provides Australians with

- ✓ Trusted
- ✓ Evidence-based
- ✓ Up-to-date

information and resources about crystal methamphetamine ("ice").

Cracks in the Ice is supported by funding from the Australian Government Department of Health and was developed by experts from research centres around Australia.

## CRACKS IN THE ICE PROVIDES ANSWERS TO COMMON QUESTIONS SUCH AS:

- What is ice?
- What are the effects of ice?
- What happens when you use ice with other drugs?
- How many people use ice?
- Why do people use ice?
- What are the laws about ice?
- When and where do I get help?

"If we can provide support to people from a young age we can help..."

"A close friend really helped me out. I came clean to my family and friends and let them back into my life. I couldn't have done it without the right people around me"

## CRACKS IN THE ICE ALSO PROVIDES INFORMATION FOR FAMILY AND FRIENDS OF PEOPLE WHO USE ICE SUCH AS:

- Tips for starting a conversation with a loved one
- Tips for protecting yourself and others
- Information about the types of treatments available
- Information about support services specifically for friends and family members
